História

History

PT Fundada em 1904, a CIFIAL acumula mais de um século de conhecimento e experiência industrial. Um investimento permanente em engenharia de produto e de processos, aliado à utilização do design como ferramenta estratégica confirmam o reconhecimento galardoado com vários prêmios internacionais. A permanente preocupação em antecipar as tendências do mercado reflete a base do potencial exportador para países com elevados níveis de exigência. Tudo o que somos vem de uma constante motivação em inovar, desde a concepção e produção até ao produto final.

EN Founded in 1904, Cifial has more than a century of industrial knowledge and experience. A permanent investment in product and process engineering, together with the use of design as a strategic tool, justify the recognition received through winning a number of international awards. The constant concern with anticipating market trends reflects our potential to export to countries with demanding standards. Everything we are comes from a constant drive to innovate, from design and production to the final product.

1904

PT Em 1904 nasceu o Centro Industrial de Ferragens, Lda, CIF, propriedade do Sr. Alberto Costa Reis, de apelido "O Biscatão". Na época a fábrica produzia fechos, fechaduras, dobradiças, e cofres.

EN In 1904 the Centro Industrial de Ferragens, Lda, CIF was founded, owned by Alberto Costa Reis, and was nicknamed O Biscatão (The Big Oddjob). At that time the factory used rudimentary tools to produce latches, locks, hinges and safes.

1930's

PT Na década de 1930 a CIF participa nas primeiras feiras coloniais Portuguesas, em Angola, sendo assim pioneira no que diz respeito a exploração de mercados internacionais. No seguimento de uma visão comercial muito avançada, em 1934 é registada a marca Cifial, a fim de salvaguardar o património comercial e valor da marca que já se fazia sentir.

EN In the 1930s CIF participated in the first Portuguese colonial fairs, in Angola, thus being a pioneer in terms of exploring international markets. Following a very Styled commercial vision, in 1934 the Cifial brand was registered in order to safeguard the commercial heritage and brand value that was already being felt.

1940's

PT É em 1944 que José Marques, adquire a empresa, oferecendo um investimento inicial de apenas 400 escudos. De imediato assente numa visão inovadora para a sua época, logo desde o início José Marques aposta na exportação alem fronteiras, para expandir o seu negócio mas sobretudo para importar novas ideias industriais e comerciais que marcassem pela diferença.

Percorre assim diversos países europeus, firmando negócios na Alemanha, Suíça, Bélgica, França. Em 1946, para dar resposta às encomendas, a Cifial adquire a primeira a máquina de dentar chaves, por cópia, do país e uma das primeiras da Península Ibérica.

EN It was in 1944 that José Marques acquired the company, offering an initial investment of only 400 escudos. Based on an innovative vision for his time, right from the start José Marques to expand his business. Travels through various European countries, establishing business in Germany, Switzerland, Belgium and France. In 1946, in order to respond to the orders, Cifial acquires the first key machine in the country and one of the first in the Iberian Peninsula.

1950's

PT A internacionalização da Cifial toma novo rumo e em 1954 já conta com mais de 280 novos clientes em Africa do Sul, Rodésia, Lourenço Marques e Bissau. A expansão continua, nos anos seguinte, para as províncias ultramarinas.

EN Cifial's internationalization takes a new direction and in 1954 it already has more than 280 new customers in South Africa, Rhodesia, Lourenço Marques and Bissau. The expansion continues, in the following years, to the overseas provinces.

1960's

PT No início da década de 60 a empresa operajá com 200 operários. A área da fábrica continua de aumentar. Em 1961 a Cifial instala a 1ª máquina de electro erosão do país.

Na segunda metade da década a pressão na produção impulsiona a renovação das máquinas e os tornos e fresas, até aqui acionados por linhas de eixo, são adaptados a motores elétricos. Em 1967 inicia-se a expansão para os EUA.

EN By the early 1960s the company is already operating with 200 workers. The area of the factory continues to increasing. In 1961 Cifial installs the first electro erosion machine in the country.

In the second half of the decade the pressure the increase of production dictated the modernization of the industrial process, until then driven manual labor, and now updating to electric power.

1970's

PT No início da década, uma linha de tornos programados e a primeira linha de cromagem automática do país, entram em funcionamento. Em 1975 é colocada em funcionamento a primeira fundição injetada ZAMACK, do país.

A CIFIAL aumenta a sua presença nos EUA , em 1976 a Cifial encerra o ano com uma faturação anual de 10,5 milhões de escudos.

EN At the beginning of the decade, a line of programmed lathes and the first automatic chrome-plating line in the country, go into operation. In 1975, the country's first ZAMACK die-casting plant is put into operation. CIFIAL increases its presence in the U.S., in 1976 Cifial ends the year with an annual turnover of 10,5 million escudos.

1980's

PT Com o desenvolvimento de novos produtos com características inovadoras, assente no elevado nível de qualidade dos produtos CIFIAL, estabeleceu-se uma forte relação com os novos clientes americanos. Fruto destas novas parcerias, a primeira coleção de torneiras produzida pela Cifial, hoje conhecida como Edwardian, é instalada na Casa branca, nos Estados Unidos, por escolha da Primeira Dama Nancy Reagan. É também nesta década que a Cifial inicia a comercialização de torneiras com a sua própria marca, Cifial.

EN With the development of with innovative products based on Cifial's high quality standards, the company established a strong relationship with its new American customers. In the 1980s Nancy Reagan chose taps from CIFIAL's Edwardian range in the Broadway Collection for the renovated White House bathrooms.

1990's

PT A internacionalização é consolidada com a abertura das filiais no Reino Unido (1993), EUA (1996) e Espanha (1991). É também nesta década que o Grupo assume uma participação na Aquatis (1992) que mais tarde viria a ser a CIFIAL - Indústria Cerâmica, SA. Adquire também as marcas OLIVA e LUSEPI, com o objetivo de se tornar líder no setor de soluções integradas para casa de banho. Em 1996 a CIFIAL foi pioneira na instalação e utilização dos processos PVD, na Europa.

EN The company's internalisation was consolidated with the opening of subsidiaries in the UK, USA and Spain. It was also during this decade that the Group bought a stake in Aquatis and acquired the OLIVA and LUSEPI brands, with the aim of becoming a leader in the integrated bathroom solutions sector. In 1996 is one of the first companies in Europe to start PVD production for decorative purposes.

2020's

PT Impulsionada por uma nova liderança, a Cifial renova o seu portfólio e reestrutura as suas equipas por forma a preparar a marca para os grandes desafios que se aproximam. Fiel à sua filosofia inovadora a Cifial, redefine a sua estratégia comercial com vista a ocupar novamente um lugar de destaque no mercado nacional junto do consumidor final e da distribuição tradicional. Para isso alarga a sua oferta a uma solução integral para a casa de banho, lançando novas categorias de produtos tais como o mobiliário e as bases de chuveiro. Esta nova oferta e renovação de portfólio assenta agora também numa internacionalização da sua produção, recorrendo a produção externa, em Portugal, Espanha e Itália entre outros. Em simultâneo, a Cifial assume preocupação com o ambiente, desenvolvendo melhorias ao nível do consumo hídrico dos seus produtos, mas também no seu próprio processo industrial. É inaugurado em 2023, uma unidade de Produção de Energia Elétrica com recurso a painéis fotovoltaicos com uma área total de 3.000 m² e capacidade produtiva de até 847 MWh/ano.

A Imagem corporativa acompanha o novo rumo da marca mantendo sempre os valores originais que fizeram da CIFIAL uma das marcas de referências ao longo dos seus 120 anos de atividade.

A Cifial volta novamente a ver o reconhecimento internacional dos seus produtos ao ser galardoada com o prémio GOOD DESIGN AWARD atribuído pelo The Chicago Athenaeum, para a sua nova coleção de torneiras Legacif.

EN Driven by a new leadership, Cifial renews its portfolio and restructures its teams in order to prepare the brand for the great challenges ahead. True to its innovative philosophy, Cifial redefines its commercial strategy in order to occupy again a prominent place in the domestic market among final consumers and traditional distribution. To this end, it extends its offer to a comprehensive solution for the bathroom, launching new product categories such as furniture and shower trays. This new offer and portfolio renewal is now also based on an internationalization of its production, using external production, in Portugal, Spain and Italy among others. At the same time, Cifial is concerned about the environment, developing improvements at the level of water consumption of its products but also in its own industrial process.

It is inaugurated in 2023, an internal installation and electrical energy using solar panels with a total area of 3.000 m² and production capacity of up to 847 MWh/year.

The corporate Image follows the new direction of the brand always maintaining the original values that have made CIFIAL one of the brands of reference throughout its 120 years of activity.

In 2022 Cifial again sees the international recognition of its products by being awarded with the GOOD DESIGN AWARD given by The Chicago Athenaeum, for its new faucets collection Legacif.

2000's

PT O reconhecimento Internacional surge nesta década, arrecadando 18 prémios internacionais, entre eles Red Dot Design Award, GOOD DESIGN e ADEX.

A Cifial inicia o século XXI com 90.000 m² de área destinada à metalomecânica e 60.000 m² à cerâmica, com produção diária de 10.700 e 1360 unidades, respetivamente. Em 2004 a Aquatis é totalmente adquirida pela Cifial. Por esta altura a Cifial soma quase 1000 colaboradores dispersos pelas suas 3 unidades industriais.

EN International recognition comes in this decade, collecting 18 international awards, including Red Dot Design Award, GOOD DESIGN and ADEX.

Cifial begins the 21st century with 90,000 m² of area for metalworking and 60,000 m² for ceramics, with daily production of 10,700 and 1360 units, respectively. In 2004 Aquatis is totally acquired by Cifial. By this time Cifial adds almost 1000 employees spread over its 3 industrial units.

Produção/Know-How

Manufacturing/Know-How

PT Na Cifial acreditamos que o sucesso da empresa e o seu crescimento nacional e internacional reside na filosofia de uma melhoria contínua e um compromisso de garantir a total satisfação do cliente.

Por isso a Cifial orgulha-se de um controlo total ao nível do processo industrial dos seus produtos.

Só estando envolvido desde a ideia do produto, passando pelo atento acompanhamento da produção, controlo interno e serviço direto ao mercado é que se consegue assegurar os mais elevados padrões de qualidade e satisfação por tantos anos. O Grupo Cifial opera em três centros industriais, dos quais dois se destinam à produção de torneiras e acessórios e um à produção de louça sanitária.

EN At Cifial, we believe the success of the company and its national and international growth lies in its philosophy of continuous improvement and commitment to ensuring complete customer satisfaction.

Therefore, Cifial prides itself on a total control of the industrial process of its products.

Only by being involved from the idea of the product, through the close monitoring of production, internal control and direct service to the market, it's possible to ensure the highest standards of quality and satisfaction for so many years. The Cifial Group operates in 3 industrial centers, 2 of which are taps and fittings and one for the production of sanitary ware.

Qualidade

Quality

PT A Gestão da Qualidade é gerida de acordo com os requisitos da NP EN ISO 9001, que privilegia a satisfação das expectativas do cliente. Os produtos Cifial cumprem todos os requisitos de exigência para os seus mercados de atuação, bem como as normativas internacionais relativas às distintas áreas de negócio.

Na indústria metalomecânica, a Cifial está equipada com laboratórios físico-químicos, de espectrometria e de ensaios mecânicos. São realizados sistematicamente ensaios no lançamento de produtos novos e de acompanhamento ao processo de fabrico.

A Cifial garante o cumprimento dos referenciais normativos europeus e americanos, dando resposta às necessidades mais exigentes dos clientes através de realização de ensaios normalizados:

- Ensaios de corrosão;
- Resistência química;

- Ensaios de abrasão;
- Espessura de revestimento;
- Ensaios de produto: hidráulicos.

Na Indústria Cerâmica, a Cifial está equipada com os laboratórios de Cerâmica e de Produto, nos quais são permanentemente elaborados ensaios que garantem a qualidade e o cumprimento das normas:

- Determinação da absorção de água;
- Resistência aos ácidos, agentes químicos e alcalis;
- Resistência às manchas;
- Determinação dimensional da louça sanitária;
- Carga estática a louça sanitária;
- Ensaios funcionais a louça sanitária;
- Ensaios dinâmicos de desempenho.

EN Quality Management is managed in accordance with the requirements of NP EN ISO 9001, which focuses on satisfaction of customer expectations. The products made by CIFIAL meet all the requirements for their markets of operation, as well as the international standards for the different business areas.

In the metalworks industry, Cifial has Physical Chemical, Mechanical Tests and Spectrometry laboratories. Tests are conducted during new products launch and for monitoring of the manufacturing process.

Cifial guarantees compliance with European and American standards, responding to the most demanding customer needs by carrying out standardised tests:

- Corrosion testing;
- Chemical resistance;
- Adhesion testing;
- Abrasion testing;
- Coating thickness;
- Product tests: watertightness hydraulics.

In the sanitaryware industry, CIFIAL is equipped with Ceramics and Product laboratories, where tests are constantly carried out in order to guarantee quality and compliance with standards:

- Determination of water absorption;
- Resistance to acids, chemical agents and alkalis;
- Resistance to stains;
- Dimensional determination of sanitaryware;
- Static charge on sanitaryware;
- Functional testing of sanitaryware;
- Dynamic performance testing.

Departamento Projectos

Projects Department

PT Arquitectos e decoradores precisam de um parceiro competente e familiarizado com as suas necessidades que lhes possa oferecer produtos que satisfaçam os seus requisitos.

Actualmente, o proprietário do projecto pode estar sediado noutra localidade que não seja a do arquitecto, ou do empreiteiro, para assegurar o melhor resultado, é necessário um parceiro internacional fiável.

A Cifial está representada em todo o mundo com uma rede global de distribuição e filiais, que garante essa fidelidade.

Porque todos os projectos são exclusivos e de carácter único, os designers de interiores, procuram materiais requintados, cores, padrões de alta qualidade e de estilo único. A vasta gama de produtos da marca CIFIAL oferece uma enorme multiplicidade de produtos e estilos, do clássico ao moderno.

Por isso a CIFIAL oferece um apoio dedicado para todos os projectos que possam exigir desenvolvimento especial, ao nível do design, requisitos técnicos, acabamento especial e outras inúmeras necessidades. O departamento de gestão de projectos está disponível para procurar e estudar com os nossos clientes qualquer requisito para qualquer projecto que possa necessitar de personalização e desenvolvimento.

Quer seja apenas uma questão de acabamento, um problema de dimensão, requisito de eficiência, ou uma questão de design, a nossa equipa ajudá-lo-á com uma solução.

EN Architects and interior designers need a competent partner familiar with their needs who can offer them products that meet their requirements.

Ofently nowadays the owner of the project is based somewhere else than the , architects, or the contractor. To ensure the best result you need an international yet reliable partner.

Cifial is represented worldwide with our Global distribution network and subsidiaries.

Because all projects are exclusive with their special character. Interior designers rely on exquisite materials, colors, high-quality standards and unique style in the design of the bathroom.

The wide range of products from the CIFIAL brand offers a large multiplicity of products and styles from classic to modern.

Never the less our long experience across the world in many projects told us that there is always the possibility to do more.

This is why CIFIAL offers a special support for all special projects that could require special development, such as design, technical requirements, special finish and other countless special needs.

The Project management department is available to seek along and study with our partners any special requirement for any special project that might need small or high level of customization and development.

Next time your project or your customer, presents to you an impossible challenge, count on us to support and advise you.

Acabamentos

Finishings

PT Além da função estética, os acabamentos garantem proteção às superfícies, aumentando a sua resistência à corrosão e à abrasão. Estes resultam de duas fases: na fase de preparação das superfícies, é definida a textura através de processos de lixagem, polimento, escovagem e texturização química; na fase de revestimento, é definida a cor, o brilho, a dureza e a resistência à corrosão do acabamento.

EN Besides aesthetics, finishing processes ensure surfaces are protected and increase their resistance to corrosion and abrasion. They result from two phases: in the surface preparation phase, the texture is defined through sanding, polishing, brushing and chemical texturization processes; in the coating phase, the color is defined, the gloss, hardness and corrosion resistance of the finishing.

Condições Gerais de venda

General Conditions of Sale

Os produtos ilustrados neste catálogo podem não corresponder exatamente ao produto final devido ao conceito gráfico do catálogo e os constrangimentos inerentes aos meios de reprodução. Por razões de natureza técnica e/ou comercial, a CIFIAL reserva-se o direito de introduzir modificações aos preços, materiais, acessórios ou outras especificações técnicas constantes deste catálogo sem aviso prévio. Formatos, dimensões, cores e demais características dos produtos devem ser tomadas a título orientativo. Todas as vendas efetuadas pela CIFIAL S.A., (NIF:500061122) presumem-se feitas em harmonia com as presentes condições gerais de venda. Todos os trabalhos não contemplados nesta tabela serão executados mediante orçamento prévio.

ENCOMENDAS

- Serão considerados válidos os pedidos efetuados por escrito.
- As encomendas aceites não poderão ser anuladas ou alteradas nos seguintes casos:
 - Quando tiverem decorrido 4 dias a partir da data do envio de orçamento por parte da Cifial;
 - Quando se tiver efetuado a expedição do produto;
 - Quando se tenha iniciado o processo de fabricação especial para produtos especiais, ou seja, produtos não constantes nos nossos catálogos.
- A CIFIAL reserva-se o direito de anular encomendas pendentes em caso de incumprimento do Cliente - total ou parcial - de anteriores contratos.

PREÇOS

- Os preços praticados são sempre os constantes na Tabela de Preços (IVA não incluído) em vigor no momento da expedição da mercadoria.
- A Tabela de Preços poderá ser alterada sem qualquer aviso prévio.
- Os preços de venda poderão ser alterados por simples aviso ao Cliente. Se o Cliente não aceitar o novo preço, poderá anular a encomenda, notificando a CIFIAL por escrito dentro dos oito dias seguintes à data do aviso. Depois de passado este prazo, entender-se-á que aceita plenamente as novas condições.
- A alteração dos impostos que onerem a produção, entrega ou venda dos produtos, não permitirá ao Cliente anular a encomenda.

PRAZOS

- Os prazos de entrega indicados pela CIFIAL contam-se sempre a partir da data de aceitação de encomenda e têm natureza previsional.
- O comprador não poderá em caso algum exigir qualquer indemnização ou recuperar a mercadoria por atraso, na sua entrega ou incumprimento do prazo.
- Pode a CIFIAL proceder a entregas parciais e executar as respetivas faturações.

ENTREGA

- As mercadorias consideram-se entregues ao Cliente após a sua descarga nas suas instalações e confirmação da sua receção por assinatura da respetiva Guia de Remessa, ou logo que concluído, nas instalações da CIFIAL, o carregamento em meio de transporte do Cliente e a respetiva Guia de Remessa seja assinada pelo condutor.
- Quando a entrega das mercadorias for por meio de transporte da responsabilidade da CIFIAL, a guia entregue pelo transportador deverá ser assinada, aquando da sua receção, e deve mencionar, junto à assinatura, "Mercadoria sob reserva e sujeita a conferência". Caso o destinatário não formule esta reserva, presume-se que a mesma se encontra em boas condições, não dando origem a reclamação. Formulando essa reserva, se no prazo de 8 (oito) dias após a receção da mercadoria pelo Cliente não se registar qualquer reclamação, implica plena aceitação da mercadoria.
- As encomendas poderão ser satisfeitas por entregas parciais.
- As descargas de mercadoria serão da responsabilidade do Cliente, no caso de a mesma ser levantada pelo Cliente nas instalações da CIFIAL.
- A CIFIAL poderá recusar-se a fazer o transporte das encomendas, sempre que:
 - O local de destino não seja o armazém do Cliente, ou o combinado previamente;
 - O volume da encomenda não o justifique.

RECLAMAÇÕES

- As reclamações devem ser apresentadas num prazo de 10 dias úteis imediatos ao fornecimento;
- Se a reclamação tiver fundamento, a CIFIAL só será responsável pela reparação ou, em último caso, pela reposição por troca, de igual produto.

DEVOLUÇÕES

- Todas as Devoluções de produtos estão sujeitas à prévia aceitação da CIFIAL;
- Ao valor das devoluções autorizadas poderão ser deduzidos gastos com receção, prova, inspeção e desvalorização, a acordar caso a caso com o cliente.

PAGAMENTO

- Para efeitos de pagamentos serão observadas as condições financeiras acordadas e em vigor à data da fatura.
- Para cada cliente será estabelecido um "Plafond" de crédito, pelo nosso Departamento Financeiro, tendo como base informação comercial e financeira do seu comportamento como parceiro comercial.
- Os fornecimentos que não sejam pagos atempadamente vencerão juros nos termos legais após data de vencimento da respetiva fatura.
- A eventual existência de situações pendentes não será aceite, em caso algum, como justificação para o não pagamento atempado de qualquer fatura.
- Haverá suspensão de fornecimentos sempre que se verifique qualquer situação de incumprimento por parte dos clientes.
- Aos clientes com crédito suspenso não serão satisfeitas quaisquer encomendas.
- Entende-se como cumprimento dos prazos, a data de receção nos nossos serviços, do respetivo meio de liquidação.
- Se antes do cumprimento total ou parcial de um pedido se produzem ou se conhecem factos ou circunstâncias que originem um temor fundado de que o Cliente não cumprirá com o pagamento, poderá a CIFIAL, suspender a entrega dos produtos se o Cliente não antecipar ou garantir o pagamento no prazo correspondente.
- Estas condições entram imediatamente em vigor e anulam e substituem as anteriores, podendo ser alteradas sem aviso prévio.

RESERVA DE PROPRIEDADE

- A CIFIAL reserva o direito de propriedade da mercadoria até ao seu pagamento integral.

CANCELAMENTO OU SUSPENSÃO

- A CIFIAL poderá, por seu interesse, cancelar ou suspender o fabrico de qualquer dos seus produtos e/ou de encomendas, sem que o Comprador tenha direito a qualquer indemnização por esse facto.

GARANTIA

- Os nossos produtos, sempre que utilizados e instalados de acordo com as nossas instruções, estão garantidos contra defeitos de fabrico por um período de 3 anos para produtos adquiridos após 01/01/2022 e de 2 anos para produtos adquiridos até 31/12/2021, salvo nos casos em que se indique no correspondente documento outro período ou condições específicas.
- Para a aplicação desta garantia será necessário, em qualquer caso, a aceitação do defeito pelos nossos serviços técnicos e a devolução dos produtos defeituosos.
- Os gastos de transporte e embalagem que sejam originados pela assistência em garantia, são por conta da CIFIAL.

FORO COMPETENTE

- Fica desde já convencionado o Foro da Comarca de Santa Maria da Feira como competente, com exclusão de qualquer outro, para dirimir os litígios emergentes das Transações Comerciais realizadas com base nestas condições.

The products illustrated in this catalog may not exactly match the final product due to the concept Graphic of the catalogue and the constraints inherent in the means of reproduction. For technical reasons and/or commercial, CIFIAL reserves the right to introduce modifications to the prices, materials, accessories or other technical specifications contained in this catalog without prior notice. Formats, dimensions, colors and other characteristics of the products should be taken as a guideline. All sales made by CIFIAL S.A., (NIF: 500061122) are presumed to be made in harmony with these general sale conditions. All works not contemplated in this table will be executed with prior budget.

ORDERS

- Only Requests made in writing shall be considered valid.
- Confirmed orders may not be cancelled or changed in the following cases:
 - When 4 days have elapsed from the date of submission of the budget by Cifial;
 - When the product has been shipped;
 - When the special manufacturing process for special products has begun, for all products not included in the present catalogue.
- CIFIAL reserves the right to cancel pending orders in case of non-compliance of the Customer - total or partial – even from previous contracts.

PRICES

- The prices charged are always those contained in the Price List (VAT not included) at the time of shipment of the goods.
- The Price List may be changed without prior notice.
- The sales prices may be changed by simple notice to the Customer. If the Customer does not accept the new price, he may cancel the order by notifying CIFIAL in writing within 8 days following the date of notice. After this deadline has passed, it will be understood that the customer fully accept the new conditions.
- The change of taxes that burden the production, delivery or sale of the products, will not allow the Customer to cancel the order.

DEADLINES

- The delivery times indicated by CIFIAL are always counted from the date of acceptance of the order and have Predictive nature.
- The buyer may not under any circumstances demand any indemnity or recover the goods for delay, delivery or non-compliance with the deadline.
- CIFIAL may make partial deliveries and execute the respective invoices.

DELIVERY

- The goods are deemed to be delivered to the Customer after their unloading at its premises and confirmation of its receipt by signature of the respective Packing Slip, or as soon as completed, at the premises of CIFIAL, the loading on the Customer's means of transport and the respective Consignment Note is signed by the driver.
- When the delivery of the goods is by means of transport under the responsibility of CIFIAL, the guide delivered by the carrier must be signed, upon receipt, and must mention, next to the signature, "Goods subject to and subject to conference". If the recipient does not formulate this reservation, it is presumed that it is in good condition, not giving rise to a complaint. By making this reservation, if within 8 (eight) days after receipt of the goods by the Customer no claim is registered, it implies full acceptance of the goods.
- Orders may be fulfilled by partial deliveries.
- The unloading of goods will be the responsibility of the Customer, in the event that it is picked up by the Customer at the premises of CIFIAL.
- CIFIAL may refuse to transport the orders whenever:
 - The place of destination is not the Customer's warehouse, or the previously agreed one;
 - The volume of the order does not justify it.

COMPLAINTS

- Complaints must be submitted within 10 working days of delivery;
- If the complaint is well-founded, CIFIAL will only be responsible for the repair or, in the last case, the replacement by exchange, of the same product.

RETURNS

- All Product Returns are subject to prior acceptance by CIFIAL;
- To the value of the authorized returns may be deducted expenses with reception, proof, inspection and devaluation, to be agreed on a case-by-case basis with the customer.

PAYMENT

- For the purposes of payments, the financial conditions agreed and in force on the date of the invoice shall be observed.
- For each client, a credit "Plafond" will be established by our Finance Department, based on commercial and financial information of their behavior as a business partner.
- Supplies that are not paid on time will bear interest under the legal terms after the due date of the respective invoice.
- The possible existence of outstanding situations will not be accepted, under any circumstances, as a justification for the non-timely payment of any invoice.
- Supplies will be suspended whenever there is any situation of non-compliance by customers.
- Customers with suspended credit will not be satisfied with any orders.
- It is understood as compliance with the deadlines, the date of receipt in our services, of the respective means of settlement.
- If before the total or partial fulfillment of an order facts or circumstances occur or it is known that give rise to a well-founded fear that the customer will not comply with the payment, CIFIAL may suspend the delivery of the products if the customer does not anticipate or guarantee payment within the corresponding period.
- These conditions come into force immediately and cancel and replace the previous ones, and may be changed without prior notice. .

RESERVATION OF TITLE

- CIFIAL reserves the right of ownership of the goods until their full payment.

CANCELLATION OR SUSPENSION

- CIFIAL may, in its interest, cancel or suspend the manufacture of any of its products and/or orders, without the Buyer being entitled to any compensation for this fact.

WARRANTY

- Our products, whenever used and installed in accordance with our instructions, are guaranteed against manufacturing defects for a period of 3 years for products purchased after 01/01/2022 and 2 years for products purchased until 31/12/2021, except in cases where another specific period or conditions are indicated in the corresponding document.
- For the application of this warranty it will be necessary, in any case, the acceptance of the defect by our technical services and the return of the defective products.
- The transport and packaging costs that are originated by the warranty assistance, are at the expense of CIFIAL.

JURISDICTION

- Customers and Cifial expressly accept the jurisdiction of the court Santa Maria da Feira Portugal.
