EXPERIENCE OUR PRODUCTS IN FULL 3D.

STEP 1: DOWNLOAD

VIV is available to download for free on the App Store and Google Play Store and works with all iOS and Android devices.

STEP 2: SCAN

Using the **VIV** App, scan the tracker to generate life size **VADO** products in 3D.

STEP 3: EXPERIENCE

Prepare for an enriched digital experience as you bring your favourite **VADO** ranges to life.

THIS TRACKER IS THE
START OF A WHOLE
NEW EXPERIENCE IN
VIRTUAL INSPIRATION

TAKE THE PAIN OUT OF SELLING WITH **VADO**

When your customers choose **VADO**, they are receiving the very best of British design and exceptional quality.

We understand that your customers may not always be aware of **VADO**, therefore to provide reassurance and peace of mind, sharing our trade credentials may prove the difference.

WATER SAVING

We can help your customer minimise their utility bills and reduce annual costs, which is why our **Eco** flow regulators both protect the environment and effectively reduce your carbon footprint. (See page 306 for more details)

GUARANTEE

Tested to industry leading standards, our products retain a 15 year guarantee and are designed to be compatible with all standard sanitaryware and household plumbing systems to provide full peace of mind.

SPARES

To ensure your customers enjoy our products for years to come, our extensive inventory of spares and parts will cover any accidental damage or general wear. Whilst we endeavour to retain our spares and parts for as long as there is demand, with a vast array of product types available, the lifecycle of our products may differ which may affect availability.

○ Burj Khalifa, Dubai, UAE

OUR CREDENTIALS SPEAK FOR THEMSELVES

VADO products are in some of the most prestigious hotel, commercial and residential developments across the world. This cityscape shows a small snapshot of a variety of prestigious projects we have been involved with.

The exceptional quality of our products, outstanding customer service and our agility to support large scale developments makes **VADO** a globally trusted brand.

FINISH
OPTIONS

CROSS
Chrome

Complemented by dove white, ceramic indices, the Axbridge cross collection harnesses a beautifully refined handle aesthetic to recreate a timeless look.

CROSS
Nickel

The Axbridge cross handles' symmetrical, petal-shaped allure is beautifully accentuated with a bright nickel finish and intricate, crackled indices to capture the essence of Victorian drama.

FINISH
OPTIONS

LEVER *Chrome*

Boasting smooth and perfectly contoured, ceramic lever handles in dove white, the Axbridge lever collection allows you to appreciate and experience the quality with every use.

LEVER *Nickel*

A coalescence of artistry and heritage, the Axbridge lever handles' authentic, crackled finish and smooth, contoured form ensures a distinct vintage appeal.

NEW

WALL MOUNTED CARTRIDGE UPDATE

- New two-part cartridges ensure perfect alignment and positioning of handle and shroud.
- Two-part cartridge contains splined body and lock nut.
- Separating the body and lock nut allows the splined body to be rotated to the users' ideal position and locked.
- This process is not achievable with a single piece headwork.

Sensori SmartTouch
 1 outlet thermostatic shower with LED touch sensitive control panel
 scratch resistant glass panel ensures durable use
 wireless remote included
 minimum operating pressure 1.0 bar MP

- installation note:
- 20mm minimum depth tolerance with a 19mm cable inlet diameter
 - 10m wiring from CPU for flexible installation
 - not suitable for bath fill
 - not recommended for use with shower heads over 350mm in diameter

black
 TCH-1000

Sensori SmartTouch
 1 outlet pumped thermostatic shower with LED touch sensitive control panel
 scratch resistant glass panel ensures durable use
 wireless remote included
 minimum operating pressure 0.2 bar LP

- installation note:
- 20mm minimum depth tolerance with a 19mm cable inlet diameter
 - 10m wiring from CPU for flexible installation
 - pump included for enhanced water pressure
 - not suitable for bath fill
 - not recommended for use with shower heads over 350mm in diameter
 - internal pump improves the flow through the processor not through the outlet installed. Consideration needs to be made with outlet selection e.g if installing into a system with 0.2 bar pressure look out for a showering item with the same operating pressure rating

Tablet i0

VADO

IMMERSE YOURSELF IN SHOWERING LUXURY.

Tablet iO is the perfect choice for adding a style statement to your bathroom, uniting the best in British design engineering with a wealth of features.

With all the performance benefits of our popular Tablet valve collection, the new Tablet iO includes a sleek integrated shower kit to provide the ultimate showering experience the whole family can enjoy.

Available in 3 outlet or 2 outlet options, with a choice of round or square trim.

This collection is not just sleek, it is practical too with a compact design and exceptional functionality, as standard:

- Luxurious soft-turn handles
- Exceptional safety from temperature fluctuations
- Excellent flow rates, even at low pressure
- 'All-Flow' function
- Bath fill with a combi boiler at 1.0 bar

TABLET iO

air injection
technology

VADO atmosphere products cleverly infuse air and water particles together using **air-injection technology**.

This creates luxuriously silky water for the ultimate showering experience.

Air-injection technology also provides the added benefit of reducing water consumption by up to 50%.

Tablet

Compact in form and unique in operation, Tablet embraces the latest innovations in maximising water flow performance to ensure a fully immersive showering experience.

To view the entire range visit vado.com/tablet

 All 2 and 3 outlet models* feature an exclusive 'all-flow' function that delivers water to either outlet independently or all outlets simultaneously.

High flow internal waterways ensure an outstanding performance even at low pressure.

exceptional functionality

- luxurious soft-turn handles
- exceptional safety from temperature fluctuations, including maximum pre-set temperature and automatic shut-off
- excellent flow rates, even at low pressure
- 'all-flow' function
- limescale resistant

simple to fit

- flat backplate body allows for a solid, secure mount
- handles have multiple fitting positions to allow perfect alignment of the handle and shroud
- 25mm depth tolerance (min 75mm max 100mm)
- mortar guard with min/max depth tolerance markings to aid installation and tiling
- Tablet can fit in a 63mm stud wall when using a Studfast bracket
- screw-on shrouds and slide-on plates ensure a rapid and simple second fix
- easy-access isolation points
- the plate size allows for a 10mm tile cutting tolerance

1 FLOW CONTROL

Independently controls the flow of water for up to two outlets and can be operated simultaneously using 'all-flow' functionality.

2 TEMPERATURE CONTROL

To ensure the safety and protection of all users, VADO's leading polymer thermostatic cartridge technology allows for temperature stabilisation to prevent scalding from sudden pressure fluctuations and cold-water isolation.

3 FLOW CONTROL

Controls the flow of water to one outlet.

Actual Size

| DX Valve

Introducing the DX Valve; VADO's next generation of concealed thermostatic valves.

Boasting **precision control and exceptional safety**, the DX Valve is available in nine styles and compatible with all VADO collections.

 The DX valve is truly the fitter's friend – designed to make installation quick and easy.

To view the entire range visit vado.com/dxvalve

Compact backplate for easy installation and a sleek and stylish finish

exceptional functionality

- unique, button-less temperature 38°C stop
- exceptional control
- regulates temperature fluctuations
- limescale resistant for easy cleaning
- soft-turn ergonomic handles for precision control
- bath fill with combi boiler
- operate 2 outlets simultaneously using a 3 handle DX valve

simple to fit

- flat back valve allows for a solid, secure mount
- flat plates, for an easy silicone seal
- push-fit shrouds, with angular adjustment for pitched walls
- easy-access isolation points for maintenance
- 25mm depth tolerance (min 70 max 95), to fit a 63mm stud wall
- tile-to mortar guard included with markings to aid installation
- bleed valve included to assist flushing system while protecting the cartridge
- 3/4" to 1/2" pipework adaptors included

| Tile & Mortar Guard

Mortar guard is supplied with all concealed 2 and 3 handle thermostatic shower valves.

Square tile-to mortar guard is complete with minimum/maximum depth tolerance markings to aid installation and tiling

| Thermostatic & Cartridge Technology

To ensure the safety and protection of all users, we have worked in conjunction with the market leader in thermostatic technology and have established a polymer based cartridge that is highly resistant to limescale deposits.

VADO's leading polymer thermostatic cartridge technology allows for temperature stabilisation to prevent scalding from sudden pressure fluctuations and cold-water isolation.

High-flow, soft-turn diverter has been developed to increase flow by over 25%.*

To remove unwanted residue and improve product durability, it is strongly recommended that you flush your showering system upon installation using the bleed valve supplied.

Ergonomic dials feature a unique, button-less 38° temperature stop for enhanced control.

Studfast Concealed Shower Valve Mounting Bracket

Studfast is an easy, strong and secure method of mounting VADO thermostatic shower valves into stud walls to create a firm and trouble-free installation.

The VADO concealed thermostatic shower valve body bolts onto the studfast bracket creating a firm installation.

Look for the  logo which denotes the shower valves suitable for use with the studfast bracket.

concealed wall bracket for mounting VADO thermostatic shower valves in stud walls min-max span 360-523

nickel WG-STUDFAST-C-S/S

shower valve depth calculator

This guide shows how to calculate the depth that your VADO shower valve should be set in the wall to create optimum performance and appearance.

STEP 1
Identify the optimum installation depth (X)

Please look up optimum depth for your chosen shower valve in the following pages, or you can access the same information on our website at www.vado.com.

This is represented as X in fig. 1

STEP 2
Calculate the thickness of the finished tile wall (T)

This is the total thickness of your tile plus adhesive plus plasterboard or ply cladding.

This is shown as T in fig.2

Calculation:
 $T = A$ (tile thickness) + B (adhesive thickness, usually 3-5mm) + C (plasterboard or ply cladding thickness)

Example:
If working with a 10mm thick tile, 5mm layer of adhesive, 15mm thick plasterboard.
 $T = 10\text{mm} + 5\text{mm} + 15\text{mm} = 30\text{mm}$.
T value is therefore 30mm.

STEP 3
Calculate the depth that you need to fit your valve (D)

This depth is the total distance from the front face of the studwall to the back of the shower valve (or front face of your VADO WG-STUDFAST bracket if you are using the VADO studfast bracket for easier installation).

This is shown as D in fig 2

Calculation: $X - T = D$

Example:
If fitting a NOT-148D-C/P the optimum depth (X) is 82mm.
In step 2, T was identified as 30mm.

D is calculated as:
 $82\text{mm} - 30\text{mm} = 52\text{mm}$.
Therefore you install the valve at a distance of 52mm from the front face of your timber or metal stud wall to the back of the shower valve (or front face of your studfast bracket).

Flow regulators for basin and shower mixers

With **VADO** flow regulators fitted to taps and showers, the savings in water, gas and electricity can reduce your carbon footprint.

replaces aerator in most monobasin mixers regulating flow to 5 litres per minute

FR-100/5-PLA
 FR-100/5-B-PLA

placed in tails of basin pillar taps or between shower head and fixed arm regulating flow to between 4 and 9 litres per minute

FR-106/4-PLA (tails)
 FR-106/5-PLA (tails)
 FR-106/6-PLA (tails)
 FR-106/9-PLA (tails)
 FR-SHOWER/9-PLA (shower)

placed in flexible tails of some VADO mixers regulating flow to between 5 and 9 litres per minute

FR-FLEXI/5-PLA
 FR-FLEXI/8-PLA
 FR-FLEXI/9-PLA

placed on shower outlet of all bath and shower mixers or handset inlets regulating flow to 6 or 9 litres per minute

FR-SHOWER/6-C/P
 FR-SHOWER/9-C/P

SAVE WATER. SAVE MONEY. SAVE THE PLANET.

VADO flow regulators both protect the environment and effectively reduce your carbon footprint

How to order

Every **VADO** tap or shower that can be fitted with a **VADO** flow regulator has the logo next to it in this catalogue alongside the appropriate product code. For example:

To save up to 80% water usage on a pair of ZOO basin pillar taps you order: ZOO-106-C/P and FR-106/4-PLA (2 are required)

To save up to 75% water usage on an AQUABLADE shower head you order: AQB-RO/20-C/P and FR-SHOWER/9-PLA

To save up to 75% water usage with a LIFE basin mixer you order: LIF-100/SB-C/P and FR-100/5-B-PLA

To save up to 60% water usage with an EVOLVE showering handset you order: EVO-HANDSET/MF-DB-CP and FR-SHOWER/9-C/P

- SAVE WATER

VADO flow regulators are designed to regulate and control the flow of water to taps and showers without hampering the performance or design of the product. **VADO** products can save up to 80% water usage.

- SAVE MONEY

In an average household, **VADO** delivers a potential £360 saving on utility bills in one year.*
*source: **VADO** study
In commercial applications the savings are even greater. The Marriott Hotel Group saved approximately 41,000 litres of water which reduced annual costs by £38,000 after installing **VADO** flow regulators in one hotel.

- SAVE THE PLANET

With **VADO** flow regulators fitted to your taps and showers, the savings in water, gas and electricity can reduce your carbon footprint.

RETURNS AND RE-FIXING

RETURNS PROCEDURE

Note to retailers: We do not operate a sale or return policy. However in the event that you need to return products to us for any reason the following procedure should help to ensure that we handle your request efficiently.

Please note goods which are no longer required and that have been held by you for longer than three months from date of invoice cannot be considered for return and credit.

A Collection Request in the form of a Debit Note or VADO Collection Request Note should be emailed to our Collections Department:

- e-mail: vado.collection@vado.com
 - Direct Telephone No: 01934 745154

We require the following details in order to process the necessary paperwork: Item stock code, finish & quantity of item(s) to be returned. The relevant Invoice Number or Delivery Note Number and the reason for return of the item(s).

- Our Collections Department will process the paperwork and after the collection request has been authorised, we will forward by post a self-adhesive label(s) for you to confirm all details and attach to the parcel(s). You will also receive a Returned Goods Authorisation Note. The details of this note need to be checked and signed by you. This note is to be enclosed in the parcel being returned. A copy of the Returned Goods Authorisation Note for your records will also be enclosed with the label. If you have any queries whatsoever, regarding the collection, please telephone our Collections Department, on receipt of label(s) 01934 745154

- All goods are to be suitably packaged before despatch to VADO, i.e. presentation boxes packed inside an outer box. Goods received back in anything other than re-saleable condition, may result in a request for credit being refused.
- With the exception of faulty or damaged goods, all goods being returned will be subject to a 25% re-stocking charge with a minimum £15 charge being applicable.
- If items are received damaged or faulty, no charge is made for returning the goods to us. Please note: shortages and damages must be notified within 2 days of receipt of goods. Notification outside of the 2-day period will void any claim. If after our inspection a product is found to be defective due to a manufacturing fault, we will issue a credit or a free of charge replacement.
- Our collections department will liaise with your designated contact, confirming the total number of boxes packed ready for collection and a mutually convenient collection date will be arranged.

CLAIMS FOR RE-FIXING

In the event that you have a claim for re-fitting or repair of a faulty product, please contact our Technical department on 01934 745163. All claims for re-fixing charges must be authorised by us before any work is undertaken. Claims for re-fixing that are made after work has been undertaken will be rejected.

GUARANTEE

All VADO products come with a 2 year guarantee as standard. Within this guarantee period VADO will provide replacement parts and any labour [SEE NOTE 1] needed to complete the product repair. This standard guarantee may be extended by registering your product to give up to a 15 year guarantee period. Once registered:

Booth & Co. chrome and nickel brassware products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO chromed brassware and stainless steel products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

Brassware products from the Individual by VADO collection have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO Sensori SmartTouch and SmartDial products have a 5 year guarantee (parts and labour).

VADO Identity and i-tech products have a 5 year guarantee (2 year parts and labour plus 3 years parts only).

Ances by VADO products have a 10 year guarantee (2 years parts and labour plus 8 years parts only). Aces by VADO electric showers have a 2 years parts and labour guarantee.

All other VADO products have a 3 year guarantee (2 years parts and labour plus 1 year parts only) [SEE NOTE 2].

GUARANTEE CONDITIONS

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

- The product has been installed, used and maintained (maintenance guidelines can be viewed here) in accordance with VADO's instructions and subjected to normal use only.
- The defect is not due to use of an unsuitable or inadequate water or power supply.
- The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.
- The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our guarantee team. Registration must be completed within 6 months from date of purchase.

Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

- Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.
- VADO spare parts and shower hoses are under a parts only guarantee.
- VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled.

This guarantee is in addition to and does not affect your statutory rights as a consumer.

CLAIMS:

Tel: 01934 745163 **Email:** aftersalescare@vado.com

RETURNS AND RE-FIXING

DEFINITIONS

In these conditions 'the Company' shall mean VADO, a division of Norcros Group (Holdings) Limited, 'the purchaser' shall mean the person, firm or company to whom any quotation is addressed or with whom any contract is made and 'the goods' shall mean the goods and/or services agreed to be sold by the Company to the purchaser.

1. QUOTATION AND ACCEPTANCE

- (a) All quotations are given and all orders are accepted on these terms which shall apply to the exclusion of and shall override any other terms stipulated or referred to by the purchaser whether in its order or any other document, or in any negotiations or communication or course of dealing established between the Company and the purchaser;
- (b) No modification or amendment of these terms or addition thereto shall be effective unless made in writing and signed by a director of the Company.

2. DESCRIPTION OF AND STATEMENTS AS TO GOODS

- (a) Save where the goods are stated to be sold as complying with a recognised trade or industry standard, all descriptions, specifications, drawings and particulars of weights and dimensions submitted by the Company or otherwise contained in the Company's catalogues, brochures, price lists, quotations and publicity materials are approximate only and the Company shall not be liable for their accuracy unless they are expressly incorporated into the contract in writing;
- (b) These terms represent the entire agreement between the Company and the purchaser relating to the goods and such terms supersede and the purchaser shall not place any reliance upon any statements, recommendations and advice whether oral or in writing given (whether before or after the acceptance by the Company of the purchaser's order) by the Company, its servants or agents as to any matter relating to the goods save where such statement, recommendations or advice is given in writing and signed by a director of the Company in response to a specific written request from the purchaser before or at the time of the Company's acceptance of the order.

3. PRICES

Prices quoted by the Company are those in effect at the date of quotation. Unless otherwise agreed in writing, the Company reserves the right to increase prices when it accepts the purchaser's order so as to reflect one or more of the following:

- (a) any variation that may have occurred in the costs of labour, materials, suppliers overheads and transport;
- (b) any change in duty, tax, surcharge or levy of any kind whatsoever affecting the sale price of the goods;
- (c) any cost to the Company resulting from delay by the purchaser in giving to the Company information sufficient to enable it to supply the goods or provide the services or resulting from any alteration made at the request of the purchaser in the specification of the goods or in the place to which they are to be delivered or shipped;
- (d) any extra cost to the Company resulting from the goods being carried at the request of the purchaser by mode of transport more expensive than the Company's normal form of transport.

4. PAYMENT

- (a) Unless otherwise agreed in writing, the price for the goods will be due and payable on the last business day of the month following delivery;
- (b) The Company shall be entitled to charge interest on any part of the price which is not paid in accordance with clause (a) at the rate per annum of 3% above the Base Rate of Lloyds Banking Group from time to time;
- (c) Time of payment is of the essence and if the purchaser defaults in punctual payment of the price the Company shall be entitled to terminate the contract and recover the goods at the purchaser's expense without prejudice to any further rights which the Company may have;
- (d) Any default in payment of an invoice or an instalment payment on an invoice on the due date shall render the entire balance outstanding on all invoices from the Company to the purchaser immediately payable in full without demand being made notwithstanding any contrary provisions as to terms of payment in any one or all invoices;
- (e) If the purchaser fails to give all instructions reasonably required by the Company and all necessary document, licences, consents and authorities for forwarding the goods or is unable to accept delivery of the goods at the time when the goods are due and ready for despatch or delivery or shall otherwise cause or request delay, the purchaser shall pay to the Company all costs and expenses, including storage and insurance charges incurred or arising from such delay during which, at the Company's absolute discretion if its storage facilities permit, the goods will be stored at the purchaser's sole risk. This provision shall be in addition to and not in substitution for any other payment or damages for which the purchaser may be liable in respect of his failure to take delivery at the appropriate date;
- (f) The purchaser shall not be entitled to make any deduction from the price of goods which have been delivered to the purchaser in respect of any set off or counterclaim unless both the validity and the amount thereof have been expressly admitted in writing by the Company and such admission is signed by a director of the Company;
- (g) In the absence of any specific appropriation by the purchaser, the Company shall have the right to appropriate any payment made by the purchaser towards the satisfaction of any invoice outstanding from time to time as the Company shall in its absolute discretion think fit.

5. DELIVERY

- (a) Any time or date stated for delivery is given and intended as an estimate only and the Company shall not be liable for any loss or damage whatsoever resulting from any delay in delivery howsoever arising;
- (b) Unless otherwise stated in writing delivery shall be deemed to take place upon the occurrence of the first in time of the following, namely:
 - i. the physical delivery of the goods to the purchaser at the Company's works;
 - ii. the physical delivery of the goods to the purchaser's carrier or agent for the purpose of transmission to the purchaser or his nominee;
 - iii. the physical delivery of the goods to the purchaser's place of business or such other place as he may direct by the Company, its carrier or agent, the purchaser being responsible for unloading;
- (c) Signature of the Company's delivery note by any employee, representative or agent of the purchaser shall be conclusive proof of delivery;
- (d) Where the contract provides for delivery by the Company, its carrier or agent:
 - i. any claims for non-delivery must be made in writing to the Company within three days of receipt of invoice or advice note whichever is the earlier;
 - ii. any claims in respect of goods damaged in transit or shortages in delivery must be made in writing to the Company within three days of delivery; shortages in delivery shall not give rise to a right to reject the goods delivered;
- (e) The Company shall be entitled to make partial deliveries or deliveries by instalments and all the provisions of these terms shall apply to such deliveries;

6. PROPERTY AND RISK

- (a) Risk in the goods shall pass to the purchaser at the time at which delivery takes place in accordance with clause 5 above and the purchaser shall be solely responsible for insuring the goods thereafter;
- (b) The Company shall retain ownership of and title in the goods delivered until full payment has been made in respect of all such goods. Until such time the goods shall be:

- i. stored separately from other goods in the possession of the purchaser;
 - ii. marked or otherwise rendered identifiable as being the property of the Company;
 - iii. held by the purchaser as bailee of the Company;
 - iv. held by the purchaser free from any charge, lien or other encumbrance;
- (c) Provided the Company has not requested their return and notwithstanding that payment in full has not been made for all of the goods delivered, the purchaser as principal and not as agent for the Company shall be entitled to use the goods or offer for sale and sell them in the ordinary course of his business;
 - (d) Where the purchaser sells the goods prior to paying for them in full:
 - i. the Company shall be legally and beneficially entitled to the proceeds of sale;
 - ii. the purchaser shall hold the proceeds of sale on trust for the Company and shall not mingle them with other monies and shall not pay them into an overdrawn bank account; he shall deposit the proceeds of sale in a separate bank account, the location and number of which he has previously notified to the Company, and he shall not be entitled to use or deal with the proceeds of sale until payment in full for the goods has been made to the Company;
 - iii. The Company shall have the right at any time by its servants or agents to enter the purchaser's premises where the goods are stored, or are thought the Company to be stored, so as to:
 - i. retake possession of the goods when the Company has requested their return and the purchaser has not immediately complied with the request, such retaking or return to be without prejudice to any other rights the Company may have arising therefrom;
 - ii. inspect the storage of the Company's goods which have not been paid for in full;
 - iii. investigate and ascertain whether all these terms are being complied with;

7. GUARANTEE AND LIABILITY

- (a) The Company guarantees all goods which have been manufactured by the Company against any defect of work or materials which can be proved to the Company's satisfaction to have been caused before delivery provided that:
 - i. the goods are used for their normal purpose,
 - ii. full details of any such defect are notified to the Company within thirty days of its first appearance and
 - iii. the goods in which the defect arises are returned at the purchaser's expense to the Company;
- (b) The guarantee shall be for a period of twelve years from the date of delivery for all product except pumps which are 3 years for Monsoon and 1 year for Showermate and products with any other finish that is not chrome, such as gold, which are guaranteed for 3 years. The liability of the Company shall be limited at its option either to supply replacement goods, which will be supplied subject to these terms, or refunding of the goods;
- (c) The Company gives no guarantee in respect of goods not manufactured by it but shall use all reasonable endeavours to procure for the purchaser or assign to the purchaser the benefit of any guarantee obtained by it from the manufacturer or supplier thereof; however the Company shall not be required to commence litigation against such manufacturer or supplier or to incur any expense in connection with any such claim by the purchaser;
- (d) The above guarantee is given in lieu of and to the exclusion of all other warranties, conditions, representations and undertakings express or implied by statute or otherwise in respect of the quality or fitness for purpose of the goods or as to their condition or performance or as to any other matter except where such warranty or condition is implied by statute and by reason of a statutory provision, cannot be excluded;
- (e) Save as provided herein and save in any case where death or personal injury has been caused by the Company's negligence or any case where the Company is liable for a defect in the goods pursuant to Part 1 of the Consumer Protection Act 1987 or any statutory replacement thereof, the Company shall be under no liability whatsoever to the purchaser for any loss or damage whether direct, indirect or consequential arising out of any defect in, failure of or unsuitability for any purpose of the goods or any part thereof whether the same be due to any act, omission, breach of contract, negligence or wilful default in design, workmanship or materials or any other cause.

8. INDEMNITY AS TO INDUSTRIAL PROPERTY RIGHTS

- (a) The purchaser shall indemnify the Company against all loss, damages, costs and expenses suffered or incurred by the Company or to which the Company may become liable as a result of any work carried out in accordance with the purchaser's specification(s) which involves infringement or alleged infringement of a patent, registered design or other industrial property right;
- (b) If the purchaser uses or sells the goods in such a manner as to infringe any such rights the company shall not be responsible for such infringement and the purchaser agrees to indemnify the Company from and against all liability arising therefrom.

9. TERMINATION

The Company shall have the right forthwith to cancel the purchaser's order if any of the following events occur and subject to enforcement of the Company's rights to recover the goods and to receive payment of the price or damages, the contract shall be deemed to have terminated:

- (a) the purchaser commits any breach of its obligations to the Company;
- (b) any distress or execution is levied upon any property of the purchaser;
- (c) the purchaser makes or offers to make any arrangement or composition with creditors or commits any act of bankruptcy or insolvency;
- (d) any resolution is passed or petition presented to wind up the purchaser;
- (e) a receiver or administrator is appointed or any chargee takes possession of all or any part of the undertaking or assets of the purchaser;
- (f) the purchaser stops payment or ceases or threatens to cease to carry on its business or to pay its debts as and when they fall due;
- (g) any remittance for payment of the whole or any part of the purchase price of the goods is dishonoured by the purchaser's bankers.

10. ASSIGNMENT

The purchaser shall not assign or transfer or purport to assign or transfer any contract to which these terms apply to any other person without the Company's prior written consent. The Company reserves the right to subcontract the performance of the contract or any part of it.

11. FORCE MAJEURE

If the Company is prevented or delayed (directly or indirectly) from making delivery of the goods or any part thereof or from otherwise performing the contract or any part thereof by reason of war, embargo, riot, strike, lock-out, trade dispute, fire, breakdown of plant or machinery, inclement weather, interruption of transport, Government action, delay in delivery to the Company of any goods or materials, or by any cause whatsoever (whether or not of a like nature to the foregoing) outside its control, it shall be under no liability whatsoever to the purchaser and shall be entitled at its option either to cancel the contract or without any liability to extend the time or times for delivery by a period equivalent to that during which such delivery has been prevented.

12. PROPER LAW

The contract and these terms shall be governed by English law and the purchaser shall submit to the sole jurisdiction of the English Courts.
